Island Of Dreams Wed 10th June - Fri 12th June 7pm

From Such Stuff Productions - a trip down memory lane. The town has seen better days and a couple of 'Onlookers' reminisce about times gone by. News arrives that someone is coming, returning to her home town; someone who might be able to turn the town around. . The townsfolk are left with a dilemma - a moral choice has to be made.

"Island of Dreams " is a new play with music, based loosely on "The Visit " by Friedrich Durrenmatt - which was described as a 'tragicomic' play.

An amazingly talented cast will entertain you, acting and singing, with Laid Back providing the music. Songs which will bring back memories; songs adapted to fit the scene; original songs created for this play.

Tickets £10 on the door, U14s free.
